

Friend Lederlander,

6/5/79

i am a student as well as a Michigan taxpayer.

Contrary to a very popular belief you are responsible for your actions and must account to me and my fellow students and taxpayers. I urge (vehemently!) that you ask for an action item on April 19th's agenda on the question of divestment. And i urge you to vote in favor of divestment of funds from corporations in the US portfolio which have investments in S. Africa and are contributive to the apartheid system. I am not alone in this concern and hope you will lend ~~an~~ ear to the views of my colleagues as well.

Sincerely

Richard Emil Hitz
