IDEA: Make TUESDAY, DECEMBER 15th Special SOUTH AFRICAN LOBBY DAY in Lansing and

- Bring Crockett to Lansing from Ann Arbor
- Special Order your Educ. bill for that date
- and Virgil's bill? (or, have him get his pension bill on Committee agenda the next day?///// (you need to discuss status of Virgil's bill with him...where will it be on the 15th?) I have talked to Phylis in Virgil's office about this.

(Len Suransky is putting this is a letter to Crockett and sending
You a copy when it all fits together)
