Regent Robert E. Nederlander
1930 Buhl Building
Detroit, Michigan 48226

Dear Regent Nederlander:

By now you have received the schedule of public activities of the University Forum on Corporate Investments in South Africa. We have also scheduled private functions at which you may meet our invited speakers informally. In particular, we have arranged dinners for the Regents of the University at the Michigan Union for the evenings of Tuesday, January 31, and Thursday, February 2, between the afternoon and evening sessions of the Forum.

Informal gatherings, to which selected members of the University community have been invited, are scheduled too for Tuesday and Thursday mornings and for Wednesday afternoon. You are welcome to attend these affairs as well. Kathryn West has details of them at (313)764-7203.

I hope that you will take advantage of these opportunities to have your individual questions answered by informed representatives of the different sides of the issue.

Sincerely,

Robert M. Cutler
Chairman
