most of the faculty had receded into higher cerebral activities, leaving those who were willing to do the "shit" work in control of such matters. I was not happy about the development, but, in the circumstances, acknowledged that there was justice in it.

I hope that these ~~xxxx~~ poorly typed, poorly organized recollections will be of some help to you. Good luck with your book - and be sure to have a copy sent to me if at all possible.

Sincerely yours,
