

A PLEDGE OF SOCIAL RESPONSIBILITY

In recognition of the modern crisis of uncontrolled population growth, and in view of the fact that every individual bears responsibility toward its solution I (we) pledge: (a) to limit the number of my (our) offspring to two children. ☐

(b) not to have any more children. ☐

I (we) call upon all people wishing to have more than two children to consider adoption as an alternative to adding to an already overcrowded nation.

I (we) agree to my (our) signature appearing in local or national news media along with many others, calling upon other people to make the same commitment.
